### PERFORMANCE AND VALUE

Our best selling 614HA is the perfect combination of great performance and great value. It's the professional's choice for pressing all types of garments, from shirts, to pants, to dresses, to jackets.

### CRISP AND CLEAN FINISH

Pressing on a regular ironing board eventually leads to a damp ironing surface, making it impossible to get a clean, crisp finish for your garments. The 614HA with powerful 0.8 H.P. vacuum motor is the model that more professionals count on.

**Smart. Professional. Reliable. Since 1955.**
