

LIEBERSEW™

NEW **LIEBERSEW™** 373X MULTISTITCH BUTTON SEWER

This new **BUTTON SEWER** has a new function which knots the button thread three times and prevents it from fraying.

Another new function is a lever which allows the change from 2 Hole to 4 Hole parallel and 4 Hole cross stitch quickly. A Special Liebersew advantage!!

Available electric or hand operated with stands.

LEVER FOR CHANGING STITCH TYPE
