### A VERY BIG IRON

Digital steam presses are the perfect choice for those looking for an alternative to conventional ironing. With pressing areas many times the size of an iron, a digital steam press will quickly eliminate wrinkles and put a crease into the toughest fabrics.

### SAVE TIME IRONING

With such a large pressing surface, digital steam presses will cut down on your ironing time by as much as 70%. They are very easy to use, just pull the handle down, press for steam, and leave in the closed position until the buzzer sounds.

### FEATURES

- 10 X pressing surface of an iron
- Digital LED accuracy
- Large water capacity
- Ergonomic handle
- Safety alarm and auto shut-off
- Can be used for fusing or ironing
- Accessory kit

**Smart. Professional. Reliable. Since 1955.**
